

LIVE WEBINAR

EVIDENCE PURGE PARTY

January 26, 2024 | 1000 - 1300 EDT

COURSE DESCRIPTION

This webinar is a sequel to the Evidence Destruction 101 eCourse. After determining when something CAN be purged, the Evidence Purge Party will focus on HOW to actually purge different items.

Learn how to purge different items including firearms, narcotics, electronic devices, currency, biohazards, ammunition, records, digital media, vehicles, chemicals, collectables and more! Also become familiar with other purging processes such as auctions, donations, converting items to agency use, and seals and expungements.

Students are encouraged to share their own experiences and processes for purging. This will allow for other agencies in close proximity to be more informed on what disposal services are available in their area.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
