Privately Made Firearms: Introduction and Recommended Evidence Collection Practices

Presenter: Special Agent Lucas Battani
Bureau of Alcohol Tobacco, Firearms, and Explosives

Privately Made Firearms (PMF) are becoming more prevalent across the United States. Arm yourself with the knowledge to recognize, investigate, and prosecute possessors and makers by learning about the unique aspects present in these crimes scenes and within the distinctive evidence contained therein.

**Date: April 23, 2024 1200-1600 hours
Location: Orlando Police Department
Training Center -100 George DeSalvia Way**

Space is limited to 60 attendees with priority given to FDIAI members.

Registration: <https://forms.office.com/g/iVLcn0T88d> or register via QR code

**Contact Person: Heather White,
