

LIVE WEBINAR

# COLD CASE DECODED: HOW CRIME ANALYSIS BRINGS CASES BACK TO LIFE

October 6, 2025 | 1130 - 1330 EST

## COURSE DESCRIPTION

This webinar will be a deep dive into how crime analysis can help solve cold cases. The instructor will take attendees step-by-step to why crime analysis and crime scene analysis helps solve cold cases and how to apply it to investigations.

The course will offer professional insight into recently solved (real) cold cases and will provide an immersive mock case example of how to approach a cold case from an analyst's perspective.

Key takeaways from this webinar include:

- *What is Crime Analysis and Crime Scene Analysis?*
- *The effectiveness of analysis in regard to cold cases.*
- *Cold case analysis steps.*

## WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
