CREATING FORENSIC SOPS: HOW TO WRITE YOUR UNIT'S FORENSIC STANDARD OPERATING PROCEDURES

February 23, 2026

1100- 1200 EST

COURSE DESCRIPTION

Clear, well-written SOPs are essential to consistent operations, accountability, and officer confidence. This webinar is designed to help law enforcement personnel transform policy into clear, practical Standard Operating Procedures that can be easily understood and applied in daily work.

Participants will learn proven techniques for organizing goals into concise written directives, using transparent language and logical structure to reduce ambiguity and improve compliance. By the end of the session, attendees will be able to draft, revise, and evaluate SOPs that strengthen communication, promote consistency across the department, and support effective, defensible operations.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
