

LIVE WEBINAR SERIES:

SCIENCE, STANDARDS, AND SPEAKING:

THE CORE OF FRICTION RIDGE EXAMINATION

April 17, 2026 | 1300-1500 EST

COURSE DESCRIPTION

This training is an overview of important aspects of the friction ridge examination process for success in the Latent Print discipline.

Knowing the science, applying standards, and giving a voice to your case are the core responsibilities of your position as a Latent Print Examiner.

This class is geared towards students or professionals interested in joining the Latent Print field, trainees, or a refresher for practicing examiners.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
