

## PRESIDENT'S MESSAGE

Fellow Members:

The 1995 Training Seminar and Conference that will be held in Tampa is shaping up to be an excellent event. The speaker's committee has promised a larger number of workshops and a diversified program. A total of 30 exhibitor spaces have been taken at this time, we are anticipating at least 33 exhibitor spaces for this conference.

Remember this seminar and conference will be a four-day meeting. Sunday, 22 October 1995, will be the President's Reception.

Opening ceremonies will be on Monday, 23 October, and the conference will end on Thursday, 26 October.

The hotel where the conference is being held is the Wyndham at Harbour Island. This is a magnificent hotel. The hotel is on the water and is located in downtown Tampa. It is important to reserve your hotel room early; the conference rate is only guaranteed until September 23. Even if you don't have your approvals yet, call for a reservation. It will not cost you anything to reserve the space.

Sincerely,

Mallory Frank Shonberger  
President
