

## PRESIDENT'S MESSAGE

Fellow Members:

I wish to express my condolences to our Secretary/Treasurer, Mr. William McQuay on the passing of his mother and sister. Bill also suffered a mild cardiac event and has recovered nicely from this experience. If any of the members have not yet received correspondence from the secretary/treasurer please excuse the delay. The office is in good hands and Bill is up to speed on all of his duties and responsibilities.

I had the honor to be invited to the District One meeting that was held on May 5th, 1995, in Pensacola. District One Director Jan Johnson presented an impressive educational meeting.

I have also been to the joint meetings that are being held between districts eight and ten in conjunction with the South Florida Forensic Association. The other district directors are to also be congratulated for the participation that they are demonstrating. I hope to attend other district meetings this year, time and schedule permitting. Keep up the good work.

Sincerely,

A handwritten signature in dark ink, appearing to read "M. Shonberger", written in a cursive style.

Mallory Frank Shonberger  
President
