

A Message from the President

Fellow Members:

I would like to recognize the following District Directors for holding District meetings: Edgar Burroughs, Jan Johnson, and Bill Schade.

I would like to thank all of you who attended the IAI Conference in Greensboro, NC for the support that you gave to Jan Johnson. We were able to elect Jan from the floor to the Board of Directors. Florida will be well represented!

The 1996 Florida/Georgia Seminar is fast approaching. This years seminar is promising the finest educational program that we have ever had. This is a great tribute to those who have worked so hard to provide us with quality education. Our educational program was continuously complimented at the IAI Conference in NC. The State Department has notified us that we will have thirteen (13) delegates attending from abroad.

Doug Barrow, Hank Ray and their committees should be commended for their dedication in planning and developing their respective workshops: The Evaluation and Comparison of Latent Prints Workshop and The Forensic Art Workshop.

I am looking forward to seeing all of you in Panama City Beach. I would like to thank all of you for your support! With your support I will lead the best Division in the IAI into 1997.

Sincerely,

Thomas G. Fadul Jr.
