

A Message From The President

Dear Members:

As the fall Educational Seminar draws nearer, I believe this seminar will be an exceptional one and I urge you to attend and share the knowledge gained with your fellow workers.

As members of the FDI AI, you belong to the largest division of the IAI. You have opportunities to attend first rate training seminars and specialized classes that some may take for granted. These classes are available to the members as a result of the dedicated efforts over the past few years on the part of: Seminar Planners Julie Shoff and Glen Calhoun, Speaker Coordinators Ron and Debi Fertgus and Carl "Bud" Haemmerle, the Board of Directors, the Officers and many volunteers.

Do you like the FDI AI? Do you have compliments or complaints about the organization? Let your District Director know your feelings or better yet, get involved. Run for an Officer's or Director's position or volunteer for a Committee related to your discipline. You can make a difference. There is nothing like new people with fresh ideas and a strong commitment to energize the FDI AI to make it an even stronger organization.

This will be my last message in the *FDIAI NEWSLETTER* as your President. I wish to express my sincere thanks for the friendship, assistance, positive suggestions, and encouragement of many and yes, the criticism of a few. The future presidents of this association are dedicated, talented and very capable. I urge you to give them your support.

Sincerely,

A handwritten signature in cursive script that reads "Jay Mullins". The signature is written in dark ink and is positioned below the word "Sincerely,".
